

source | sense

Government entities often have needs above their private-sector counterparts. Source Sense can help bridge the gap by automating the collection of data, reporting, and alerting in real-time when appropriate. With a wide array of sensors from environmental sensors, tank & waste bin levels, occupancy sensors, and more, Source Sense can provide the situational awareness needed in the public sector.

Source Sense is a powerful platform with a single pane of glass. It enables you infinite plug-and-play IoT solutions.

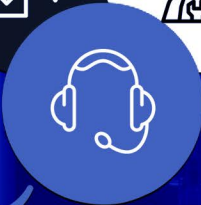

- ✓ Panic Button
- ✓ Room Occupancy Sensor
- ✓ Barricade Monitoring
- ✓ Temperature Monitoring
- ✓ Environmental Monitoring
- ✓ Road Condition Base Monitoring
